' माझी सोसायटी, जागरूक सोसायटी '

गृहनिर्माण संस्थेचे नाव :-

शिल्पा हाऊसिंग सोसायटी

माझे आणि माझ्या गृहनिर्माण संस्थेच्या कुटुंबांचे भविष्य देशाच्या मजबूत लोकशाहीची जोडलेले आहे. आम्ही असा संकल्प करतो की, आम्ही, भारताचे नागरिक लोकशाहीवर निष्ठा ठेवून आपल्या देशाच्या लोकशाही परंपरांचे जतन करू आणि मुक्त, निःपक्षपाती व शांततापूर्ण वातावरणात निवडणूकांचे पावित्र्य राखू या निवडणुकीत निर्भयपणे तसेच धर्म, वंश, जात, समाज, भाषा यांच्या विचारांच्या प्रभावाखाली न येता किंवा कोणत्याही प्रलोभनास बळी न पडता मतदान करू. तसेच आमच्या गृहनिर्माण संस्थेच्या कुटुंबातील सर्व मतदार, नातेवाईक व मित्रपरिवार यांना देखिल मतदान करण्यासाठी प्रोत्साहित करू.

आपल्या सोसायटीने जागरूकता आणि सामाजिक सदभावना यांच्या माध्यमातून लोकशाहीला बळकट करण्याची जबाबदारी स्वीकारली आहे. मला विश्वास आहे की आपण हा संकल्प निश्चित पूर्ण करू. पुणे लोकसभा मतदारसंघाच्या लोकसभा निवडणूक २०२४ मध्ये आपण सगळे दिनांक १३ मे, २०२४ रोजी आपले अनमोल मत देऊन लोकशाही उत्सवामध्ये सहभागी होऊ.

* Importance of voting awareness among citizens.

Voting awareness among citizens is crucial as it empowers individual to make informed decision about their leaders and policies. Firstly, it fosters a sense of civic responsibilities, reminding people of their duty to participate in the democratic process. Secondly, it educates citizens about the significances of their vote, showing them that their individual voice can collectively shape the directions of their society.

Additionally, it increase transparency by highlighting the importance of scrutinizing candidates' platform and past records, reducing the influence of misinformations and propaganda. Moreover, voting awareness encourage marginalized communities to engage in the electoral process, amplifying diverse perspective and promoting inclusivity in decision-making. It also enhance trust

in the democratic system by demonstrating that every vote counts and can make a difference. Overall, by raising awareness about voting, societies can cultivate a more engaged and responsible electorate, leading to higher voter turnout and a more representative democracy. Voting awareness among citizens is paramount for the functioning of a healthy democracy. When people are informed about the importance and impact of their vote, several positive changes in voting behaviour are likely to occur. By understanding the importance of their vote, citizens become active participants in shaping the future of their communities and nations.

* People responses and awareness :-

Assessing locality-specific responses and awareness level regarding voting in elections requires a nuanced understanding of various factors, including demographics, socio-economic conditions, historical context and political culture. Localities can vary widely in their levels of voter engagement and awareness, influenced by factors such as education, access to information,

In some localities, there may be high level of voters enthusiasm and awareness driven by strong community and active civic organizations. These communities often have a traditionals of political participations and may organize voter educate initiatives, candidates forums and grassroots mobilizations efforts. Residents in such area are likely to be well-informed about elections issues and candidates and they may have a sense of collective responsibility towards the electoral process.

In conclusion, understanding locality-specific responses and awareness levels regarding voting requires considerations of a diverse array of factors, from demographic dynamic to historical context. It is more inclusive and responsive electoral system that reflect the diversity and interest of all residents.

When it comes to investing in voter education programs, expanding access to voters awareness and enagements. Localities can empowers residents to participate more fully in the democratic process.

* Questions - Answers :-

* Question are as follow :-

1. How important do you feel voting is in shaping the future of our community?

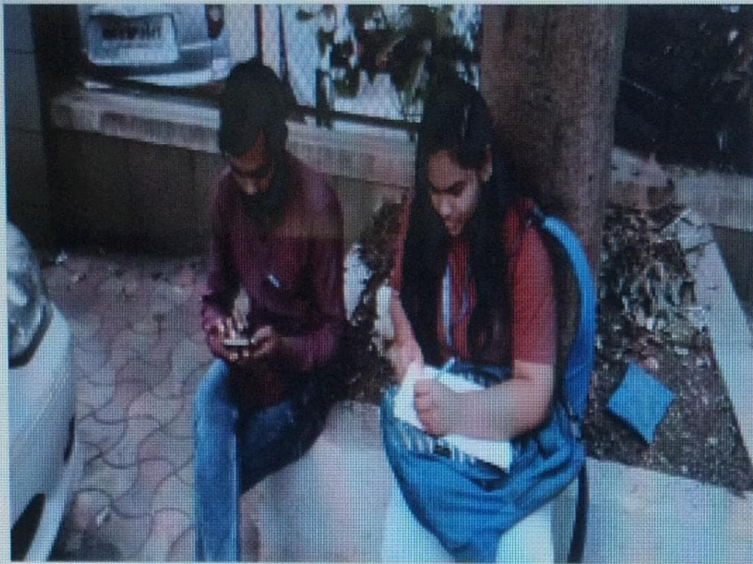

Ans = Voting is crucial for shaping community's future. It empowers us to have a direct impact on decisions that affect our lives. Through voting, we can ensure our voices are heard and our priorities are represented in governance. It's the cornerstone of a healthy and vibrant democracy.

2. Have you participated in voter education or registration events in the past?

Ans = Yes, I have participated in voter education and registration events previously. They provided valuable information about the electoral process and helped me register to vote. These events are essential for empowering citizens to engage in our democratic system.

3. What factors influence your decision to vote in elections?

Ans = Several factors influence their decision to vote in elections. The candidates' positions on key issues, their track record, and their integrity play significant roles. And many more. Question I was asked to people.

4) what barriers, if any, do you face in accessing information about elections?

Ans:- Informations about elections can be challenging due to several barriers. Language barriers may limit access to informations for non-native speakers. Limited internet connectivity or digital literacy can hinder access to online resources.

Geographic Isolations or lack of transportations may prevent some individuals from attending voter education events or accessing polling stations. Further, disenfranchisement policies or voter suppressions can disproportionately affects marginalized communities creating barriers to accessing accurate elections informations.

* Skills you acquired through this activity:-

Through this community engagement activity, valuable skills such as communications, persuasions and networkings were honed. Engaging with residents required effective communications to convey the importance of voting and persuade them to participate in the 'Vote pledge' initiative. Additionally, building rapport with society chairpersons

and Secretaries and coordinating with them to reach out to residents enhanced networking skills. moreover, the process of engaging with residents facilitated the developments of active listening skills, enabling better understanding of their concerns and perspectives.

Establishing and nurturing relationships with key stakeholders within the community not only facilitated access but also fostered trust and cooperation, essential.

Overall, this activity fostered a sense of civic duty and responsibility while equipping with practical skills for future community engagements endeavours.

Crafting compelling message tailored to resonate with diverse audiences enhanced the ability to articulate complex idea in a clear and persuasive manners.
